Sloths Wall Calendar 2018 When people should go to the ebook stores, search creation by shop, shelf by shelf, it is truly problematic.

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).

Zelda, a seven-year-old bulldog, is the most unlikely of supermodels, who happens to star in the Zelda Wisdom greeting card line and other licensed products. This kit includes a 32-page booklet from her book, Zelda Wisdom, and a canine cut-out that stands up and can be dressed in three ravishing cling-made outfits. The combination is a howl!

Russianpainter Olga Suvorova is internationally known for her brilliantreinterpretations of English Pre-Raphaelite art, described by criticViktoriya Syslova as "amazingly modern in their exquisitetheatricality." Both exuberant and philosophical in mood, her richlydetailed worlds depict people who are somehow familiar to us, even intheir extravagant costumes.In this first-person account,

accompanied by over 150 images of her colorful paintings, Suvorova describes her background, early influences, and career spanning from the 1970s to today. Mysterious cats, faithful dogs, ravishing birds, and beautiful flowers play supporting roles in her paintings. A revel of life, light, and energy, Suvorova's regal, Renaissance-style art is universally loved because it offers a fresh take on a genre that still has wide popular appeal.

With more than 1 million greeting cards sold, Scott Hilburn's *The Argyle Sweater* dresses up the funny page with an argyle-wearing assortment of cavemen, bears, moths, and pompadour-styled humans, along with an occasional evil scientist. Boasting a readership ranging from the *Washington Post* and the *Los Angeles Times* to the *Calgary Herald*, *The Argyle Sweater* fuses Hilburn's visceral talent and bold pen stroke. What results is a cerebrally astute cartoon panel that comments on popular culture, human nature, and society in a clever and spontaneous way.

A decoratively illustrated keepsake journal for avid readers, created by the team behind *The Perfectly Imperfect Home*, provides recommended reading lists of award-winning books as well as prompts for making personal lists of most-loved children's books, gift books and more.

Peter Sagal, the host of NPR's *Wait Wait...Don't Tell Me!* and a popular columnist for *Runner's World*, shares "commentary and reflection about running with a deeply felt personal story, this book is winning, smart, honest, and affecting. Whether you are a runner or not, it will move you" (Susan Orlean). On the verge of turning forty, Peter Sagal—brainiac Harvard grad, short bald Jew with a disposition towards heft, and a sedentary star of public radio—started running seriously. And much to his own surprise, he kept going, faster and further, running fourteen marathons and logging tens of thousands of miles on roads, sidewalks, paths, and trails all over the United States and the world, including the 2013 Boston Marathon, where he crossed the finish line moments before the bombings. In *The Incomplete Book of Running*, Sagal reflects on the trails, tracks, and routes he's traveled, from the humorous absurdity of running charity races in his underwear—in St. Louis, in February—or attempting to "quiet his colon" on runs around his neighborhood—to the experience of running as a guide to visually impaired runners, and the triumphant post-bombing running of the Boston Marathon in 2014. With humor and humanity, Sagal also writes about the emotional experience of running, body image, the similarities between endurance sports and sadomasochism, the legacy of running as passed down from parent to child, and the odd but extraordinary bonds created between strangers and friends. The result is "a brilliant book about running...What Peter runs toward is strength, understanding, endurance, acceptance, faith, hope, and charity" (P.J. O'Rourke).

One of the Best Books of the Year: NPR, GQ, Billboard, JazzTimes In jazz parlance, "playing changes" refers to an improviser's resourceful path through a chord progression. In this definitive guide to the jazz of our time, leading critic Nate Chinen boldly expands on that idea, taking us through the key changes, concepts, events, and people that have shaped jazz since the turn of the century--from Wayne Shorter and Henry Threadgill to Kamasi Washington and Esperanza Spalding; from the phrase "America's classical music" to an explosion of new ideas and approaches; from claims of jazz's demise to the living, breathing scene that exerts influence on mass culture, hip-hop, and R&B. Grounded in authority and brimming with style, packed with essential album lists and listening recommendations, *Playing Changes* takes the measure of this exhilarating moment--and the shimmering possibilities to come.

Since launching as an online feature in 2006, *The Argyle Sweater* has cemented its reputation as the comic strip for fans of absurd, clever humor. Now, cartoonist Scott Hilburn has collected the best of his 2009 strips in *50% Wool, 50% Asinine*. Coming from *The Argyle Sweater*'s customary skewed perspective, the comic strips collected in *50% Wool, 50% Asinine* will delight readers with the puns (both verbal and visual) and cerebral wit that are the hallmarks of this hilarious strip. A true fan favorite, *The Argyle Sweater* has gathered a loyal and enthusiastic following with origins that even predate its hugely successful launch with Universal Press Syndicate. Funny, irreverent, smart, and entertaining, *50% Wool, 50% Asinine* is perfect for devoted fans of the strip and a great introduction for those lucky enough to get to experience for the first time this intelligent comic strip infused with childlike imagination.
