A recently deceased girl must solve her own murder in order to escape purgatory in Bad Girl Gone by Temple Mathews. Sixteen year-old Echo Stone awakens in a cold sweat in a dark room, having no idea where she is or how she got there. She explains this to everyone, but no one will listen. After befriendng a sympathetic (and handsome) boy, Echo is able to escape Middle House and rush home, only to discover it sealed off by crime scene tape and covered in the evidence of a terrible and violent crime. As Echo grapples with this world-shattering information, she spots her parents driving by and rushes to flag them down. Standing in the middle of street, waving her arms to get their attention, her parents' car drives right through her. She was right. Her parents are alive—but she's not. She's a ghost, just like all the other denizens of Middle House. Desperate to somehow get her life back and reconnect with her still-alive boyfriend, Echo embarks on a quest to solve her own murder. As the list of suspects grows, the quest evolves into a journey of self-discovery in which she learns she wasn't quite the girl she thought she was. In a twist of fate, she's presented with one last chance to reclaim her life and must make a decision which will either haunt her or bless her forever.
