Contexts of Nursing 3e builds on the strengths of previous editions and continues to provide nursing students with comprehensive coverage of core ideas and perspectives underpinning the practice of nursing. The new edition has been thoroughly revised and updated. New material on Cultural Awareness and Contemporary Approaches in Nursing has been introduced to reflect the realities of practice. Nursing themes are discussed from an Australian and New Zealand perspective and are supported by illustrated examples and evidence. Each chapter focuses on an area of study within the undergraduate nursing program and the new edition continues its discussions on history, culture, ethics, law, technology, and professional issues within the field of nursing. update and revised with strong contributions from a wide range of experienced educators from around Australia & New Zealand new Chapter 17 Becoming a Nurse Leader has been introduced into the third edition to highlight the ongoing need of management in practice Chapter 20 Cultural Awareness Nurses working with indigenous people is a new chapter which explores cultural awareness, safety and competence Chapter 22 Using informatics to expand awareness engages the reader on the benefits of using technology evidence-based approach is integrated throughout the text learning objectives, key words and reflective questions are included in all chapters

'General, Organic, and Biological Chemistry' provides a readable, uncomplicated and accessible introduction to students in allied health and other fields who have little or no background in chemistry. Sets of questions and problems are featured.

Work more effectively with a complete understanding of Canadian public health! Shah ' s Public Health and Preventive Health Care in Canada, Sixth Edition examines health care policy in Canada and the issues and trends faced by today ' s health care professionals. It puts health promotion and prevention models into a historical perspective, with discussions including the evolution of national health insurance, determinants of health and disease, and approaches to achieving health for all. Written by educators Bonnie Fournier and Fareen Karachiwalla, and based on the work of noted author Dr.

Chandrakant Shah, this text provides an excellent foundation in Canadian public health for nurses and other health care professionals. Quintessentially Canadian content is designed especially for Canadian nursing and health care professionals. Comprehensive coverage includes in-depth, current information on public health and preventive care topics. End-of-chapter summaries reinforce your understanding of key health care concepts. End-of-chapter references provide recommendations for further reading and research. NEW! Full-colour design enhances illustrations and improves readability to better illustrate complex concepts. NEW! Indigenous Health chapter. NEW! Groups Experiencing Health Inequities chapter. NEW! Pan-Canadian focus uses a community health perspective, discussing the social determinants of health, health equity, and health promotion in each chapter. NEW! Learning tools include chapter outlines and learning objectives, key terms, practical exercises, critical thinking questions, and summary boxes such as Case Study, Research Perspective, In the News, Interprofessional Practice, Clinical Example, Real World Example, and Evidence-Informed Practice, plus key websites. NEW! Evolve companion website.

For MBA level Marketing Management and/or Marketing Strategy courses, or a capstone undergraduate marketing course. Strategic, applied, and performance-oriented. While most textbooks in this area stress concepts and theory, Market-Based Management, 4e, incorporates a more strategic and applied approach. External performance metrics of a business are emphasized and actual measurement tools are provided. Its streamlined organization makes it ideal for courses in which outside cases and readings will be assigned.

This straightforward book challenges the reader to complete a successful job search. It focuses on self-assessment techniques, sound career development theory, and individual applications. Covering a wide range of topics while presenting specific skills, this comprehensive guide prompts the reader to take an active role in the job search. It presents the latest job search technologies, including computer-generated resumes, electronically scannable resumes, Internet resume sites, electronic company research, and Internet job searches. It also discusses the uses of professional portfolios. The second edition of Career Focus: A Personal Job Search Guide has been revised to include new chapters on the Internet Job Search; Evaluating a Job Offer; and Designing Job Success. It includes expanded coverage of computer-generated resumes, Internet resume sites, and electronic sources of company research; networking; as well as interviewing techniques and professional portfolios.

Now in its sixth edition, The Canadian Regime continues to provide the most accessible introduction to the institutions, processes, and principles of the Canadian political system. The book's focus on the inner logic of parliamentary government explains the rationale for Canada's relatively complex political system, which the authors encourage readers to think of as an organic entity, where change in one area inevitably ripples through the rest of the system. The new edition includes the results of Canada's 2015 federal election and looks ahead to consider changes resulting from the Liberal victory. It has been thoroughly updated and revised and introduces several new topics, such as the impact of the previous Conservative government on the conventions and practices of parliamentary government and the important influence of social media on politics. Two new co-authors, Gerald Baier and Thomas M.J. Bateman, join Patrick Malcolmson and Richard Myers to bring new expertise in the areas of federalism, judicial politics, Charter jurisprudence, political parties, and the ongoing health care debate.

I read this book in a single sitting. It is written in an enthusiastic, helpful and clear style that held my attention, and made me want to read what came next. I shall read it again in a single sitting - probably more than once. For it offers common-sense advice about planning and running focus groups which I will want to revisit - British Journal of Education Technology The Third Edition of the standard for learning how to conduct a focus group contains: a new chapter comparing and contrasting market research, academic, nonprofit and participatory approaches to focus group research; expanded descriptions on how to plan focus group studies and do the analysis, including step-by-step procedures; examples of questions that ask participants to do more than just discuss, and suggestions on how to answer questions about your focus group research.
