CIMA Official Learning Systems are the only coursebooks recommended by CIMA. Written by a team of experts that include past and present CIMA examiners and markers, they contain everything you need to know. Each book maps to the syllabus chapter by chapter to help you learn effectively and reinforce learning with features including: - comprehensive coverage of the whole syllabus - step by step coverage directly linked to CIMA's Learning Outcomes - up to date examples and case studies - practice questions to test knowledge and understanding - integrated readings to increase understanding of key theories - colour used throughout to highlight key learning points * The Official Learning systems are the only study materials endorsed by CIMA * Key sections written by former examiners for the most accurate, up-to-date guidance towards exam success * Complete integrated package incorporating syllabus guidance, full text, recommended articles, revision guides and extensive question practice

LEGAL ANALYSIS AND WRITING, 4TH EDITION helps readers analyze statutes and cases and draft supporting legal memoranda. In addition to the fundamentals of good writing, legal or otherwise, the book illustrates how paralegals analyze and brief cases, identify key facts and legal issues, and apply case law and counteranalysis to legal matters, and more. Going beyond mere explanations, the book shows readers how to apply concepts to hypothetical situations, draft legal memoranda and correspondence, and scrutinize legal citations and Web research, to develop a thorough understanding of the analytical and writing responsibilities paralegals undertake. Legal Analysis and Writing, 4th Edition is a robust resource for any paralegal writing course and includes a host of available supplemental tools designed to enhance learning while simplifying instructor preparation. Arabic Made Easy is a simple and uncomplicated Arabic language course for beginner and intermediate Arabic students. The material is presented in a manner that makes learning the language easy. The beginner student can study the book on their own without the need of a

tutor. Repetition of difficult grammar items makes learning difficult grammar less daunting.

ADMINISTRATION OF WILLS, TRUSTS, AND ESTATES, 5th edition employs a reader-friendly writing style that walks students through the legal maze of wills, trusts and estates. To this end, the authors provide multiple learning tools such as celebrity wills, marginal key term definitions, extensive review materials, and visual illustrations. Plus, the Fifth Edition is national in scope while going in-depth on a state-by-state basis as well, making it applicable for every legal student. And with an abundance of case studies included in the text, students can see how legal issues are applied in real world settings. ADMINISTRATION OF WILLS, TRUSTS, AND ESTATES, 5th edition has all the components legal students need to master the content quickly and effectively. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
