STUDY GUIDE - First Baptist Church

Crazy Love is a collection and summary of the ideas in the Bible that teach about God's love for us, our love for God, and our love for others. It's presented in an easily digestible format, like one you would expect from a metaphysical self-help book. But instead of Osteen garbage, it teaches Biblical truth.

From the #1 New York Times bestselling author of Relationship Goals . . . Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark . . . until it started raining. It was crazy for Moses to lead a nation of people into the desert away from Egypt . . . until the Red Sea parted. It was crazy to believe that a fourteen-year-old virgin would give birth to the Son of God . . . until Mary held Jesus in her arms. There are many things that seem normal or average today that at one point in time seemed absolutely crazy. Smartphones, Wi-Fi, and even the electric light bulb were all groundbreaking, history-making inventions that started out as crazy ideas. Our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines, but it's crazy faith that helps us see God move and reveals His promises. In Crazy Faith, Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible. Even if you have to start with baby faith or maybe faith, you can become empowered to let go of your lazy faith, trust God through your hazy faith, and learn to live a lifestyle of crazy faith. With powerful stories of modern-day faith warriors who take their cues from biblical heroes, Michael Todd equips you to • believe for the impossible • choose hope over fear • be alert to the voice of God • cope with loss and doubt • develop a deeper level of trust in God • speak faith-filled declarations • inspire crazy faith in others God's not looking for somebody to give Him all the reasons why His plans can't happen. He's looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is, Are you crazy enough to believe it?

Recounts the author's marriage to a man she subsequently discovered had been brutally abused as a child, her terror in the face of his escalating attacks on her, and her efforts to escape the marriage when she realized that her husband might kill her.

Jesus gave his followers a command: "Follow me." And a promise: "And I will equip you to find others to follow me." We were made to make disciples. Designed for use in discipleship relationships and other focused settings, Multiply will equip you to carry out Jesus's ministry. Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com, where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply. One plus one plus one. Every copy of Multiply is designed to do what Jesus did: make disciples who make disciples who make disciples!. Until the world knows the truth of Jesus Christ.

It is absolutely clear from Scripture that God passionately desires supernatural unity within His Church. Unity is what Jesus prays for, what He commands, and what He says will be our greatest witness to the world. If unity is so important to the heart of God, why is the Church one of the most divided groups on earth? In his newest book Until Unity, New York Times-bestselling author Francis Chan calls for believers and churches everywhere to align our hearts with God and start taking seriously His numerous commands to unify. While many believe doctrine is at the root of the problem, Francis argues that the real problem is the shallowness or non-existence of our love for each other—rooted in a shallowness in our understanding of the gospel. This is what desperately needs to change. The reason that God gifts the Church with leaders is so they can equip God's people in a way that leads to "unity of the faith" (Ephesians 4:13). We have done a poor job at this, but it can all change. Those who are believers will hear the call and be leager to maintain the unity of the Spirit in the bond of peace" (v. 3). There will be opposition, but we cannot allow anything to discourage us from giving everything we have to the pursuit of a unified, restored Bride.
