This text provides an introduction to the basic facts and major issues concerning drug-taking behavior. In today's world, drugs and their use present a social paradox, combining the potential for good and for bad. As a society and as individuals, we can be the beneficiaries of drugs or their victims.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson, check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Provides students with a deeper understanding of what impacts drug use. The eighth edition of Drugs, Behavior, and Modern Society examines the impact of drug-taking behavior on our society and our daily lives. The use and abuse of a wide range of licit and illicit drugs are discussed from historical, biological, psychological, and sociological perspectives. In today's world, drugs and their use present a social paradox, combining the potential for good and for bad. As a society and as individuals, we can be the beneficiaries of drugs or their victims. This text features a comprehensive review of psychoactive drugs, and is notable for the attention it gives to two aspects of drug-taking behavior that have been underreported in other texts: steroid abuse and inhalant abuse. This text is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more. Learning Goals Upon completing this book, readers will be able to: Understand the impact of drug use on behavior and society. For courses in Drugs and Crime, Drugs and Criminal Justice, Drugs and Society, and The Sociology of Substance Abuse Drugs, Society, and Criminal Justice is a highly readable introduction to the major facts and issues concerning criminal justice and drug-taking behavior in America today. Building on sociological theory, it explores the social problems associated with drug use and the theoretical reasons for drug use and abuse. It then delves into the complex relationship between drug-taking behavior and crime. Distinctive chapters include: Understanding the Drug Problem in America (Chapter 1), Understanding the Drug Problem in Global Perspective (Chapter 2), The History of Drug Use and Drug-Control Policy (Chapter 3), Drugs and Crime (Chapter 6), Drugs and Law Enforcement (Chapter 7), and Drugs, Courts, and Correctional Systems (Chapter 8). Discussion-starting features spotlight prominent figures, drug trafficking realities, and life-saving information as the book explores how drug use and abuse impact the criminal justice system.

In this comprehensive introduction to the study of substance use and abuse, the authors explore both the personal and the societal consequences of alcohol and drug problems. A series of provocative chapters also helps students to navigate the unique problems facing women, adolescents, college students, the elderly, racial minorities, and the GLBT community. Trends in diagnosis, treatment, prevention, and policy are all thoroughly covered. Among its many outstanding features, the book: puts a human face on the problems of alcohol and drug addiction; highlights the implications of theory and research for policy and practice; includes thematic discussion questions and an inventory of key concepts and terms; and, emphasizes readability for a challenging but not overly technical approach. This is a comprehensive, accessible introduction to the study of substance use, abuse, and treatment.
