For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Student Value Editions that include MyLab(tm) or Mastering(tm), several versions may exist for each title -- including customized versions for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering platforms. For courses in international business. Cultural focus helps students understand key concepts in international business. International Business: The Challenges of Globalization uses the ever-present and salient subject of culture to present real-world examples and engaging features to bring international business to life and pique student interest . The 9th Edition uses a unique organizing framework that helps students to understand how the elements of international business are related and with a focus on employability skills, students understand how the concepts learned in this course will be relevant to their future careers.The material has been thoroughly updated based on ongoing changes in the international business world to ensure that it remains up-to-date with the rapidly changing world. Also available with MyLab Management By combining trusted authors' content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student. NOTE: You are purchasing a standalone product, MyLab(tm) Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the loose-leaf version of the text and MyLab Management, search for: 0134890477 / 9780134890470

INTERNATIONAL BUSINESS LAW AND ITS ENVIRONMENT, 8e, International Edition centers on the basic market-entry strategies most firms deploy as they expand into international markets; trade in goods and services, protecting and licensing intellectual property, and foreign direct investment. Interweaving the law with ethics-related issues, the text shows how individual firms manage these strategies in different ways while discussing the latest political, economic, and legal developments around the world. Helpful features such as case examples, end-of-chapter questions, and ethics activities help solidify your understanding of the material.

This comprehensive overview of international business is divided into various business functions, making it clear and easy to understand. In every chapter "Culture Quest Insights" into culture, geography, and business lead readers to a multi-media experience of a certain country or region that provides useful information on the impact of culture on business. Cases specific to each region or country add to the total reading experience.Topics covered include: the world's marketplaces, the international environment, managing international business and business operations.For CEOs, managers, and other executives who need to understand the cultural mores of the global societies with which they do business.

For International Business courses This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Successfully prepare students for the international marketplace. International Business illustrates how successful managers must function in a competitive world. Packed with current examples that reflect the vibrancy of the international business field, this student-friendly text offers a managerial approach that keeps an emphasis on skills development, emerging markets and geographical literacy. The sixth edition of this internationally popular text contains all the same core concepts while incorporating new and current topic coverage.

Thoroughly updated, the 9th edition of this bestselling textbook incorporates global trends and data, supported by an exemplary case selection based on firms from around the world. The internationally cited author team of Czinkota, Ronkainen, and Gupta balance conceptual understanding of business theory with the day-to-day realities of business practice, preparing students to become successful participants in the global business place. This edition brings greater focus on Asia and emerging markets, as well as Brexit, the impact of COVID-19 on business and the importance of technology and the digital space to international business practice. Through its discussion and analysis, the book guides students to a greater understanding of contemporary business issues and helps them to develop new tools of analysis. Covering all key aspects of international business, the authors emphasize a few key dimensions: international context, role of government in international business, small- and medium-sized firms, and social responsibility.
