whole mix of the many different things going on in this world that Gena Showalter has written, the main plot as I saw it (the four souls) had somewhat fallen to the wayside. In the end things were tied up with the souls a little bit to quickly for what I was expecting and left me with questions that I will only hope to see the answers for in the books to follow.

I like Gena Showalter's adult books very much. This, however, has too much teenage angst for me. Everything causes angst - boyfriend, boy friends, girl friends, shapeshifters, Dad, voices in one's head, new school, bullies, memories being wiped clean -- the usual high school stuff.

Before the White Rabbit Chronicles, before Firstlife, New York Times bestselling author Gena Showalter wrote the Intertwined series, featuring a sixteen-year-old boy with four other souls trapped in his head. Aden Stone's adventures continue in book 2, UNRAVELED... Since coming to Crossroads, Oklahoma, former outcast Aden Stone has been living the good life. Never mind that one of his best friends is a werewolf, his girlfriend is a vampire princess who hungers for his blood, and he's supposed to be crowned Vampire King—while still a human! Well, kind of. With four—oops, three now—human souls living inside his head, Aden has always been "different" himself. These souls can time-travel, raise the dead, possess

another's mind and, his least favorite these days, tell the future. The forecast for Aden? A knife through the heart. A war is brewing between the creatures of the dark, and Aden is somehow at the center of it all. But he isn't about to lie down and accept his destiny without a fight. Not when his new friends have his back, not when Victoria has risked her own future to be with him, and not when he has a reason to live for the first time in his life.... The instant New York Times bestseller! "Utterly unique and absolutely riveting—I couldn't put it down! What a marvelously cool world."—New York Times bestselling author Sarah J. Maas From the author of the New York Times bestselling White Rabbit Chronicles series comes book 1 of a brand new series in which life as we know it is merely a dress rehearsal, and real life begins after death. Tenley "Ten" Lockwood is an average seventeen-year-old girl...who has spent the past thirteen months locked inside the Prynn Asylum. The reason? Not her obsession with numbers, but her refusal to let her parents choose where she'll live—after she dies. There is an eternal truth most of the world has come to accept: Firstlife is merely a dress rehearsal, and real life begins after death. In the Everlife, two realms are in power: Troika and Myriad, longtime enemies and deadly rivals. Both will do anything to recruit Ten, including sending their top Laborers to lure her to their side. Soon, Ten finds herself on the run, caught in a wild tug-of-war between the two realms who will do anything to win the right to her soul. Who can she trust? And what if the realm she's drawn to isn't where the boy she's falling for lives? She just has to stay alive long enough to make a decision...

Reluctantly hosting the souls of four supernatural beings in his mind, midwesterner Aden Stone struggles for a normal life before befriendng three fellow teens, including a girl who helps him to quiet his powers, a werewolf shape-shifter, and a vampire princess. She's been chosen to fight the elusive enemy among us.... Phoenix Germaine has been trying to earn back her mother's trust after going into rehab and kicking Onadyn -- the drug of choice for New Chicago teens. But when a party in the woods turns into an all-out battle with the most ferocious aliens Phoenix has never seen, she's brought home in what appears to be an Onadyn-induced state. Hello, reform school. Except, what her mother doesn't know is that Phoenix has just been recruited to join the elite Alien Investigation and Removal agency, where she'll learn to fight dirty, track hard, and destroy the enemy. Her professional training will be rigorous and dangerous, and the fact that one of her instructors is Ryan Stone -- the drop-dead gorgeous, nineteen-year-old agent she met in the woods that night -- doesn't make things any easier. Especially when dating him is totally against the rules.... Wildly imaginative, action-packed, and thrilling, *Red Handed* launches Gena Showalter's stunning new alien huntress series.

Koldo, who lives for revenge on the angel who destroyed his wings, yet faces eternal damnation if he yields to hatred, defends Nicola Lane, a fragile human with a heart defect, against the demons who are determined to kill her.

A classic tale from the queen of paranormal romance, Gena Showalter! Twenty-four-year-old barista Belle Jamison dreams of a better job and a decent love life. Until a crazy scientist spikes her mocha latte! Suddenly Belle can wield the four elements—earth, wind, fire and water—with only a thought. Coffee too hot? No problem. Hair in need of a blow-dry? Done. Gorgeous government agent Rome Masters has been sent to neutralize Belle. But he's not the only one after her. Together they must outrun the rogue agents on their trail and find a way to control her powers. There's just one problem: the sparks Belle and Rome generate are even hotter than the ones flying from her eyes—and with her future on the line, now is the worst possible time to fall in love....
