It is done quite a bit like the regular ewrap cast on, except you skip every other peg. Once you have gone around the loom, ewrapping every other peg, you will get to the next round and you will. Step 1: knit the first peg. Step 2: pick up the ladder coming behind the next peg, twist it and place it on the empty peg.

"A beginner's guide to knitting on a loom, with over 30 fun projects"--Cover.

The "must-have" book for loom knitters by the top expert on the subject is now updated to reflect the newer looms on the market. Like the previous edition this new edition still contains everything you need to know about loom knitting, like gauge, yarn thickness, increasing, decreasing, color work, different cast on and off methods, and more. Additionally, it includes Isela's precise and easy how-to instructions, now newly updated, for making basic stitches and variations, and for using all the different types of looms, round and long looms, currently in the market. The project section is also updated to include more specific information about the looms used, with a handy chart of all the looms, with their gauges, currently on the market. But what hasn't changed is the straightforward information and the need for this book, making it the one to have for all loom knitters. If you only purchase one loom knitting book, this is the one to get!

A companion volume to the Loom Knitting Primer furnishes detailed, easy-to-follow instructions, illustrations, and diagrams for more than thirty projects, ranging in difficulty level from simple to advanced, for hats, socks, scarves, shawls, sweaters, and other accessories.
