*Land* is often known by the names of past owners. "Emma's Land", "Gina's quarter", and "the Ingeborg Land" are reminders of the many women who homesteaded across North Dakota in the late nineteenth and early twentieth centuries. *Land in Her Own Name* records these homesteaders' experiences as revealed in interviews with surviving homesteaders and their families and friends, land records, letters, and diaries. These women's fascinating accounts tell of locating a claim, erecting a shelter, and living on the prairie. Their ethnic backgrounds include Yankee, Scandinavian, German, and German-Russian, as well as African-American, Jewish, and Lebanese. Some were barely twenty-one, while others had reached their sixties. A few lived on their land for life and "never borrowed a cent against it"; others sold or rented the land to start a small business or to provide money for education.

John Creedon has always been fascinated by place names, from growing up in Cork City as a young boy to travelling around Ireland making his popular television show. In this brilliant new book, he peels back the layers of meaning of familiar place names to reveal stories about the land of Erin and the people who walked it before us. Travel the highways, byways and boreens of Ireland with John and become absorbed in the place names, such as 'The Cave of the Cats', 'Artichoke Road', 'The Eagle's Nest' and 'Crazy Corner'. All hold clues that help to uncover our past and make sense of that place we call home, feeding both mind and soul along the way.

"Topographers, geographers, and physiographers have written much about the Earth's surface, but that is not, as such, our present theme. Here we consider not the places themselves, but the names by which they are distinguished, what are commonly known in English as place-names." - from chapter 1, "The Place and the Name."

Place names convey a people's relationship to the land, their sense of place. For indigenous peoples, place names can also help to revive endangered languages. This book takes readers on a voyage into the history, language, and culture of the Nooksack people of Washington State and British Columbia as

his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing

act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.
