Supersessionism is deeply rooted in both Roman Catholic and Protestant theology and is as old as the church. It is the belief that the church is the new Israel, the true Israel, and as such has displaced or superseded ethnic Israel. Throughout the history of the church it has been commonly held that the covenants God made with Israel and the promises God

gave to that nation now belong to the Christian church. The supersession controversy is not an obscure theological debate of interest only to a few Biblical scholars. It involves questions of fundamental importance. Does the God of the Christian Scriptures keep His promises? What are the rules that guide our interpretation of Scripture? Is there a connection between Christian theology and anti-Semitism in "Christian lands?" The Biblical focus of this controversy is the 11th chapter of the book of Romans. There the Apostle

Paul courageously addresses the supersessionism issue. Tarrell invites the reader to feast on the riches of Paul's teaching on the atonement (Romans 1-8) and to celebrate so great a salvation. But he also invites the reader to embrace Paul's teaching about Israel (Romans 9-11). God's gift of salvation is precious and is thoroughly explained in the first 8 chapters of Romans. But to prove the thesis of the book of Romans Paul tackles the most daunting problem of all, the apparent inability of God to fulfill the promises He made to the nation of Israel. Bringing

Grace and peace to you from God our Father and the Lord Jesus Christ... This verse-by-verse commentary takes us from the early church in Acts through Paul's letters, helping us understand more deeply our salvation, God's call to relationship, and why grace is the cornerstone of our life in Christ. In the book of Acts, Luke portrays the tensions,

persecutions, and hopes of the early church. This detailed commentary digs deep into the zeal and joy of Christ's earliest followers and what these men and women teach us about community in Christ. Once an enemy of Christianity, Paul became a follower of Christ who helped the early church grow in obedience and love. His letters include some of the most beloved words of Scripture, as well as profound challenges to be more like Christ in our words and actions. Be inspired as you learn more about how the early church spread from Jerusalem to the ends of the earth.

Misunderstanding of Paul had started already in his lifetime, and his letters offer many examples of this. Throughout the centuries, Paul has continued to be misunderstood by both Jews and Gentiles, especially in relation to his view of the law and the covenant. Paul has often been misunderstood because his form of argument, his use of Scripture, his view of Jews and Gentiles in Christ (especially of those Jews who were not convinced that Jesus was Messiah), and his view of what constitutes true Judaism do not seem to conform to our expectations

and perceptions of the apostle. We have been accustomed to read his letters as of one who was emancipating people from Judaism, as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ. By building on some of the insights of the New Perspective, and developing other more recent insights as well, a more consistent and credible Paul as a first-century Diaspora Jew organizing a mission to Gentiles will be presented.

Douglas Moo's NICNT volume on Romans has been providing pastors, students, and scholars with profound insight into Paul's most famous letter. In this thorough revision of his commentary, Moo deals with issues that have come into prominence since the first edition (1996), incorporating the latest research and rewriting the text throughout for better comprehension. Exegetically astute and theologically minded, Moo interacts critically with the new perspective on Paul, highlights the emphasis in Romans on "practical divinity," and traces the
