As opposed to Star Wars Theme / Cantina Band , " the other charting Star Wars song, aka "that disco travesty," this is the one, the true, the only original Star Wars theme. A triumph of a film theme to end all film themes, this song never loses its dignity no matter how many times you hear it. The opening trumpet fanfare jolts your theater seat, snapping your attention, before thundering off into the most powerful and triumphant march ever recorded.

In this second edition of *Orchestral "Pops" Music: A Handbook*, Lucy Manning brings forward to the present her remarkable compendium of information about this form of orchestral music. Since the appearance of the first edition in 2008, this work has proven critical to successful "pops" concert programming. With changes in publishers and agents, the discontinuation of the publication of certain original material or, worst of all, presses going out of business, music directors, orchestra conductors, and professional instrumentalists face formidable challenges in tracking down accurate information about this vast repertoire. This revised handbook alleviates the time-consuming task of researching these changes by offering a list of works for orchestral "pops" concerts that is comprehensive, informative, and current. Manning's emphasis on clarity and accuracy gives users an indispensable tool for gathering vital information on the style, instrumentation, and availability of the repertoire listed, as well as notes on its performance. The user-friendly appendices include expanded instrumentation choices, easy-to-find durations, and handy title cross-references. In addition to corrections and updates, this new edition of *Orchestral "Pops" Music* includes at least 1,000 new title listings. *Orchestral "Pops" Music: A Handbook* is the ideal tool for working conductors and orchestral librarians, as well as music program directors at colleges, conservatories, and orchestras.

Pop Showcase for Strings, for solo or string orchestra, is a collection of 13 popular songs that can be played as a solo with piano or CD accompaniment, or with a string orchestra with or without the CD or piano. Each selection is presented in two arrangements, a solo and a complete string orchestra piece. The solo section is written so that it can be played as a solo or in unison (or octaves) together by any ensemble, including the entire orchestra, with or without piano accompaniment. The arrangement for string orchestra that follows uses the same rhythms and melodic lines included in the solo section. The first song can be played after the first six notes are learned in any string method and the pieces progress to about a level two. These arrangements are excellent supplements for enhancing any student's knowledge of popular music from the 20th century and are great concert material. The comb binding creates a lay-flat book that is perfect for study and performance. Titles are: Augie's Great Municipal Band * Eye of the Tiger * Blue Tango * All I Want for Christmas Is My Two Front Teeth * Theme from Ice Castles (Through the Eyes of Love) * (Meet) the Flintstones * The Rose * This Is It! * I'm Walkin' * Merrily We Roll Along * Animaniacs * Star Wars (Main Theme) * Theme from Superman.

Peter Larsen traces the history of music in film and discusses central theoretical questions concerning its narrative and psychological functions. He looks in depth at film classics such as Howard Hawks's 'The Big Sleep' and Hitchcock's 'North by Northwest' as well as later blockbusters such as 'Star Wars' and 'Bladerunner'.

This medley consists of three of the most popular Star Wars themes from the original trilogy by the great film composer, John Williams: "Star Wars Main Theme," "May the Force Be with You," and "Darth Vader's Theme (The Imperial March)." Williams' compositions are instrumental to director George Lucas's trilogy, but even when heard outside of the films, his music is beloved and instantly recognizable by all generations. This arrangement, for nine players, is sure to be a crowd-pleaser. Instrumentation: orchestra bells, xylophone, vibraphone, marimba 1, marimba 2, chimes, suspended cymbal, snare drum, bass drum.
