What would you do if you found out that your life was built on a lie? After the death of her mother in a school shooting, Adeena Minor's life unravels as she is catapulted into temporary fame. Days later, Adeena receives a letter that warns that her life is in danger. She is also told that everything she knows about her identity is a lie. As much as she wants to dismiss the letter, two previous "accidents" seem to support the outlandish warning. Determined to survive, Adeena knows the first step is to figure out not only who wants her dead, but why. During her annual sojourn to Las Vegas, Thomasina Salamander (Sal) receives a call for help. Her best friend, Cynthia, asks Sal to check out a woman claiming she's the twin of Cynthia's dead adopted sister. Cynthia suspects a con and needs Sal's help to prove it. When Sal's search leads her to Adeena's doorstep, the two women decide to work together to find out the truth—despite their mutual suspicion of each other. Will their search for the truth create a bond that even the danger they're facing can't break?

With a cool, knowing eye, Knelman delves into the lives of professionals such as Paul, a brilliant working-class kid who charmed his way into a thriving career organizing art thefts and running loot across the United Kingdom and beyond, and LAPD detective Donald Hrycyk, one of the few special investigators worldwide who struggle to keep pace with the evolving industry of stolen art. As he becomes more and more immersed in this world, Knelman learns that art theft is no fringe activity—it has evolved into one of the largest black markets in the world, which even Interpol and the FBI admit they cannot contain. In this battle, the thieves are winning. Sweeping and fast-paced, *Hot Art* is a major work of investigative journalism and a thrilling joyride into a mysterious criminal world.

A Family Secret is a fast moving novel that takes the reader from the streets of South Philly to the backroom gambling joints of Atlantic City in the early forties to the most Mafia-infested, politically corrupt city in the world Las Vegas. It is the story of two half brothers who each follow different career paths. One becomes a successful Las Vegas casino owner, while the other ends up in the Mafia. The author's use of sharp "street" dialogue makes the characters as real as a "royal flush." A Family Secret is a gritty sometime humorous story that keeps the reader wondering what will happen next. You will meet all kinds of interesting characters in the book. People like Fat Lenny, Little Pussey and Eddie "the hat" Weisberg, who is more like somebody's old grandfather than a "Jewish Gangster." And Bobby Cippolini, Goldy's half brother, a careless, cocky young Italian who answers only to the face he sees in the mirror. A Family Secret is a
