Life insurance remains one of the cornerstones of financial planning. If you provide life insurance to planning to clients, or are looking to expand your business in this key area, this book is a must-have. Written for a wide range of professional planners, such as insurance producers, financial planners, tax advisors, and estate planners, the expert authors of The Tools & Techniques of Life Insurance Planning apply the trusted Tools & Techniques approach to all aspects of life insurance planning, including: The primary reasons for using life insurance Illustrations of 1035 exchanges and the various tax rules that

can result in unexpected tax liabilities Planning techniques for retirement income needs, estate and gift tax avoidance, estate liquidity needs, and long-term care planning Planning techniques for individuals and businesses, including key personnel policies and buy-sell agreements Plain-language descriptions of potential tax consequences and strategies that plans can use to minimize tax liabilities Detailed explanations of how life insurance funds are allocated between charges and investment accounts and how different investment options are calculated New in the 8th Edition: Completely updated tax and accounting information that incorporates the 2017 Tax Cuts and Jobs Act Expanded coverage of 1035 exchanges, including new improved valuation techniques that can reduce the time required to complete an exchange In-depth planning techniques for pension maximization and buy-sell agreements Detailed discussion of annuity types and tax consequences, including QLACs In-depth analysis of life insurance riders Planning techniques for using life insurance in qualified and nonqualified plans New chapter on state best interest requirements for life insurance products, including New York's Section 187 Topics Covered: How to Estimate the Insurance Need How to Determine the Right Company and Policy Legal Aspects of Life Insurance Special Policy Provisions and Riders Disability Income Insurance Life Insurance Income Taxation and Planning Opportunities Life Insurance Valuation Estate Taxation of Life Insurance Buy-Sell Agreements Death Benefit Only (DBO) Plan Irrevocable Life Insurance Trusts Split-Dollar Life Insurance Current Trends in Life Insurance Planning And more! See the "Table of Contents" section for a full list of topics As with all the resources in the highly acclaimed Leimberg Library, every area covered in this book is accompanied by the tools, techniques, practice tips, and examples you can use to help your clients successfully navigate the complex course of trust planning and confidently meet their needs.

The groundbreaking New York Times bestseller featuring five uniquely effective tools to help you embrace your shadow, learn the secret of true confidence, and bring about dynamic personal growth—as seen on Goop and The Dr. Oz Show Change can begin right now. The Tools is a dynamic, results-oriented practice that defies the traditional approach to therapy. Instead of focusing on the past, this groundbreaking method aims to deliver relief from persistent problems and restore control—and hope—to users right away. Every day presents challenges—big and small—that the tools transform into opportunities to bring about bold and dramatic change in your life. These transformative techniques will teach you how to GET UNSTUCK: Master the things you are avoiding and live in forward motion. CONTROL ANGER: Free yourself from out-of-control rage and never-ending grudges. EXPRESS YOURSELF: Learn the secret of true confidence and find your authentic voice. COMBAT ANXIETY: Stop obsessive worrying and negative thinking. FIND DISCIPLINE: Activate willpower and make the most of every minute. For years, Phil Stutz and Barry Michels taught these tools to an exclusive patient base of high-powered

executives and creative types. Now their revolutionary practice is available to anyone interested in realizing the full range of their potential. Stutz and Michels want to make your life exceptional—in its resiliency, its productivity, and its experience of real happiness. Praise for The Tools “This blew my mind more than anything else I’ve learned this year.”—Dr. Mehmet Oz “Breakthrough material that ignites your own capacity to transform your life.”—Marianne Williamson “A rapid and streamlined method of self-improvement.”—Publishers Weekly (starred review) “An ‘open secret’ in Hollywood . . . [Stutz and Michels] have developed a program designed to access the creative power of the unconscious.”—The New Yorker “These tools are emotional game changers. They do nothing less than deliver you to your best and most powerful self.”—Kathy Freston, author of Quantum Wellness “Intensely gratifying.”—Self

This is the first objective, authoritative and practical guide covering the entire spectrum of the life settlement business. The book begins by identifying what life settlements are and why they work. It discusses how life settlements work and who the various parties are, including insureds, owners, brokers, providers, advisors, agents, carriers, buyers, and rating agencies. It also covers the benefits and opportunities for individual, trust, business, academic, charitable or other organizational owners. It examines the disadvantages and risks of life settlements, when a life settlement is the best choice, and how to evaluate whether to hold or fold. Finally, the book offers best practices and identifies tax issues for agents and attorneys. Key Selling Points: step-by-step guide to evaluating life settlements and determining when and if a life settlement makes sense; provides tips for making settlements work and several scenarios of how and when life settlements can benefit various entities; case studies illustrate the opportunities and benefits that life settlements can provide to policyholders; offers easy-to-grasp examples, practice pointers, planning pointers and practice management tips that can be put into practice immediately; provides answers and direction on how and when to proceed; Appendix is packed with useful information, including a digest of sample state laws, a life settlement flow chart, a disclosure statement, FINRA Notice, mortality reports, sample documents and sample closing documents, a life settlement application and an A.M. Best Report on Life Settlement Securitization.

This book gives a set-by-step drawing method based loosely on the "Reilly" technique which allows for drawing figures from life in less than 15 minutes. It covers "full" figure drawing from the initial setup of the "lines of action" through the finishing details for the face, hands, and feet. Also included are three demonstrations and a gallery of finished drawings.
