The traditional utility Land Rover remains as much an enthusiast's choice as ever now that its production has been ended. Between 1948 and 2016, there was a far greater variety of models produced – an astonishing 300-plus – than even the most ardent enthusiasts recognise, and this comprehensive and highly illustrated book is a guide to all of them – both those built in Britain and those built (often with unique features) overseas. Laid out with an easy-to-follow catalogue format, The Complete Catalogue of the Land Rover offers masses of detail on both production variants and also on many that never went
