Preorder REAPER: GHOST TARGET now, Nick Irving's debut thriller that Brad Thor calls "one hell of a read"! The Instant New York Times Bestseller by Co-Star of Fox's American Grit and Legendary Ranger Nick Irving Groundbreaking, thrilling and revealing, The Reaper is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him "The Reaper," and his actions on the battlefield became the stuff of legend, culminating in an extraordinary face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point.

Nicholas G. Irving gives a first hand account of his last deployment to Afghanistan as a Sniper Team Leader conducting over 80 special operations behind enemy lines and achieving his 233 kills.

In this gripping sequel to the New York Times bestselling Infinity Son, Adam Silvera brings a diverse cast of heroes and villains to life in an alternate New York where some people are born with powers, while others steal them from the blood of endangered magical creatures. Emil and Brighton defied the odds. They beat the Blood Casters and escaped with their lives—or so they thought. When Brighton drank the Reaper's Blood, he believed it would make him invincible, but instead the potion is killing him. In Emil's race to find an antidote that will not only save his brother but also rid him of his own unwanted phoenix powers, he will have to dig deep into the very past lives he's trying to outrun. Though he needs the help of the Spell Walkers now more than ever, their ranks are fracturing, with Maribelle's thirst for revenge sending her down a dangerous path. Meanwhile, Ness is being abused by Senator Iron for political gain, his rare shifting ability making him a dangerous weapon. As much as Ness longs to send Emil a signal, he knows the best way to keep Emil safe from his corrupt father is to keep him at a distance. The battle for peace is playing out like an intricate game of chess, and as the pieces on the board move into place, Emil starts to realize that he may have been competing against the wrong enemy all along.
