For The Fight Beyond Blood

For the Fight is even better than book 1 in this Beyond Blood series. It picks up right where we left off in For the Thrill. This very unconventional story of two hitmen and the woman who hires them to exact revenge upon the man who stole her family just got serious.

For the Fight (Beyond Blood, #2): Flite, Nora ...

Beyond Blood Series by Nora Flite - Goodreads

Beyond Blood is an amazing story of how God orchestrated the lives of three very different people to do His work in the fight against HIV/AIDS. The book is a page turner, encouraging, inspiring, emotional, and challenging! I read Beyond Blood quickly, and can't wait to give copies to others.

As a child, Dante was made to fight the invading army from Finfield by Oracle Kian, just to get rid of Dante, and could never shake the memories. Just the smell of blood alone turns him into a Blood Knight and makes him go on a rampage, attacking people at random and enjoying it. For this reason, he is forbidden from participating in tournaments.
