...

Here you have 2 choices: Sharply press a finger or a second phalange of the bent finger behind the earlobe into the pit between the jaw and neck, or slightly higher on the mastoid process. Take the grip of the ear in a fist - it may be necessary to scratch the entire ear with the palm of your hand.

9 Self-Defense Pressure Points That Can Save Your Life One Day

Humane Pressure Point Tactics complimented the lessons I hold on self defence, particularly through the use of the levels system. Following my certification in Levels 1, 2 and 3 of HPPT my students are now able to understand the different levels of confrontation and apply the correct skills and appropriate techniques to that level, whatever the situation. HPPT is now a staple of my teaching programme.

Kyusho Jitsu University - Humane Pressure Point Tactics

Well, the book is misleading about being a humane method of self-defense based on pressure points. The methods and techniques shown in the book are either non-humane or ineffective. The beginning paragraph on the back cover of the book is as follows, "There is a profound need for a self-protection method which is ethical and humane, while at the same time simple and effective.
