monetary neutrality. Definition. + Create New Flashcard. Popular Terms. A tenet of classical economics which holds that the amount of money printed by the Federal Reserve and central banks does not directly affect GDP, the number of jobs, or the general public's consumption of goods. A rise in the money supply, however, does affect the price (i.e., the nominal variable) of goods, services, and wages.

What is the Neutrality of Money? - YouTube

Neutrality of money is the idea that a change in the stock of money affects only nominal variables in the economy such as prices, wages, and exchange rates, with no effect on real variables, like employment, real GDP, and real consumption. Neutrality of money is an important idea in classical economics and is related to the classical dichotomy.

Neutrality of money - Wikipedia

The theory of the neutrality of money argues that money is a "neutral" factor that has no real effect on economic equilibrium. Monetary supply may be able to change how much things cost, says the theory, but it can't change the fundamental nature of the economy itself.

Neutrality of Money Definition & Example

Definition and meaning. The neutrality of money is an idea that any change in the money supply makes no difference to real economic variables. Real interest rates, employment, real consumption, or GDP (gross domestic product), for example, are real economic variables. Only nominal variables within the economy, such as wages, prices, and exchange rates alter when the money supply changes.

What is the neutrality of money? Definition and meaning ...

The net neutrality rules, which prohibit broadband companies from blocking, throttling, and creating online "slow lanes," are crucial for economic development, job creation, and serve as a democratizing force for communication.

Net Neutrality and the Economy - New America

While the concept of monetary veil is concerned with the market structure in equilibrium, money neutrality refers to changes in money before the market has reached its equilibrium.
