The Advanced Reading-Writing Connection | Townsend Press

As an academic subject, literacy encompasses skills such as reading and writing – as well as more specialised areas, like linguistics, phonics instruction, and spelling. In spite of the undeniable link between reading and writing, there are still some instances whereby these two skills are treated separately.

The Reading-Writing Connection Is Much Stronger in One

...

Basically put: reading affects writing and writing affects reading. According to recommendations from the major English/Language Arts professional organizations, reading instruction is most effective when intertwined with writing instruction and vice versa. Research has found that when children read extensively they become better writers.

The relationship between reading and writing

Reading-writing connection mini-lessons can occur at any time of the school day, but should be formally scheduled during Writers' Workshop as well. Select a particular genre, share many examples through read-alouds, shared reading, and think-alouds, model how to incorporate authors' strategies, and then provide time for students to practice.
