Teach Yourself is currently an imprint of Hodder Education and formerly a series published by the English Universities Press that specializes in self-instruction books. The series, which began in 1938, is most famous for its language education books, but its titles in mathematics are also best sellers, and over its long history the series has covered a great many other subjects as well. "A Concise Guide to Teach Yourself", compiled by A R Taylor, was published in 1958 and listed all the titles u
