Jung very clearly explains the undiscovered self in the first part and then offers a very viable solution to finding this undiscovered self with the painstaking process of self knowledge. He offers the value of dreams and their naturally producing creations: symbols, as keys to aid this process of inner self-realisation.

### The Undiscovered Self: With Symbols and the Interpretation ...

The undiscovered self is an aspect of human existence that should be accessed so that we can gain self-knowledge and resist ideological fanaticism. To be able to do this, we must face the duality of the human psyche, and acknowledge the factions of both good and evil in us, and 'hold' the opposites in balance.
