A new chapter for Venice and the Venetian navy opened in 1453, with the Fall of Constantinople and the beginning in earnest of the Ottoman-Venetian wars, a centuries long confrontation with the Ottoman Empire.. Faced with a constant threat to its maritime possessions, Venice had little choice but to maintain a standing fleet of dozens of galleys on a war footing in peacetime, bolstered in ...

The difference is: 4-year Maritime Academies take you off the street and do all the paperwork to get you a license. Maritime training vendors offer individual courses, and nothing else. You can't go to Mid-Atlantic Maritime and just get a license. There are sea time requirements, which they don't deal with at all.
